TEAMSTERS LOCAL UNION NO. 528

April 26, 2011

## ASA NEGOTIATIONS UPDATE

Negotiations were held on April 20<sup>th</sup> and, 21st 2011 in Atlanta Georgia. There was movement on issues such as an Interim Agreement, Training, Safety and Health, Filling of Vacancies, and Grievance and Arbitration.

We feel that we are close to being able to close these issues out, and move on to some of the other non-economic type issues that remain open at the next sessions to be held in Atlanta on May 24, 25, and 26<sup>th</sup> 2011.

The committees on both sides are making an effort to expedite the process and to this point are seeing the results of the effort being put forth.

The non-economic language in this and any other contract is vitally important and every possible scenario surrounding the issue must be explored thoroughly.

We will continue to keep you up to date throughout the process.
