

Continental Airlines FSA Negotiations Update

July 15, 2010

Dear Members,

The FSA negotiating committee met with the CAL negotiating team in Houston Tx. this week for the second round of talks. In this meeting, we passed three proposals to the company including, Hours of Service, Safety and Health and Holidays. Discussions continued on: the return of VAUTO, trade days within 24 hours and restoring the bid file. The company has agreed to reinstate the bid file process by early August and will work with us on using VAUTO on a case by case basis. Also, your negotiating committee will be meeting the week of August 2, 2010 in an effort to complete all of the non-economic articles. At the conclusion of the meeting we agreed to meet again in Houston on August 18 thru 20, and September 13 thru 17.
