TEAMSTERS MEMBER ASSISTANCE PROGRAM

The Teamsters Member Assistance Program (TMAP) offers confidential help to their Union members and their families when a personal problem develops.

Your TMAP Coordinators will listen to your problem and assist you in developing a plan of action that will meet your needs. If necessary, you will be referred to a qualified service provider in your community.

The services provided by the Teamsters Member Assistance Program will work with you to make effective use of your insurance benefits and community resource.

Whether you are dealing with substance abuse problems, personal, family, or relationship issues, health concerns, financial worries, domestic violence, depression, emotional stress, filing for state disability, FMLA, workers' compensation, or another problem.

Our TMAP Coordinators are here to help, so you need to TAKE THE NEXT STEP.

Call us, and we'll help you and your family get back on track. Remember, all calls are completely confidential.
